Subject: New Product Evaluation Committee Action on:
Ultra-DrainGuard; by Ultra Tech International, Inc.
Assigned # NP-06-4614

Dear Mr. Kimball:

The New Product Evaluation Committee considered the subject product at its August 27, 2005 meeting and agreed to assign 'Ultra-DrainGuard', "Approved for Usage" status. This decision was based the satisfactory performance during the evaluation of the product conducted by the New Products Evaluation Committee.

Usage of products, which have been evaluated and approved by the committee, is encouraged. However, if problems arise at any time, the product will be removed from the Approved Products List pending further review. This approval does not infer that products will be, or must be, used by Department forces or that the products will be actively promoted by the committee.

We appreciate your interest in marketing products in North Carolina. Please do not hesitate to inform us of other products that may benefit our Department. If you have any questions, please feel free to contact me at (919) 250-4128.

Sincerely,

Frankie Draper, Special Services Engineer
Asst. to Chairman, New Products Evaluation Committee
